# SPRINGFIELD DARK HORSE FEATURES

## CUSTOMISABLE RIDE

Choose between three ride modes – Tour, Standard, and Sport – for an experience that's customised to your riding style.

## Stop and Go Comfort

Rear Cylinder Deactivation automatically shuts off the rear cylinder when the bike is stopped for more comfort in slow-moving traffic. Then when you hit the throttle, the rear cylinder seamlessly kicks back up to full power.

## SLAMMED BAGS

Slammed remote-locking hard saddlebags provide secure storage for weekend getaways and combined with mid-rise handlebars create a menacing profile.

## MID-RISE HANDLEBARS

Adding custom style to the bike, the mid-rise handlebars come standard for a relaxed reach that feels great on the road.
